

Seventy-Five Years Serving The Community

A Message from The President .....

What a wonderful 75th year it has been for Whitley Heights. From Flea Market, to Halloween and Christmas parties, to a photo contest and architecture tour, it's been some year. And we've saved the best for last with our big blowout 75th Anniversary Gala dinner party set for June 12th. We hope you will all attend this festive, nostalgic evening. It promises be the social event of the season.

By now you should all be receiving your letter from the Hollywood Bowl entitling you to two free tickets for a Los Angeles Philharmonic event of your choosing. Its just one more proof that this is the best community in all of Hollywood and one we hope is worthy of your support. If you haven't already joined the WHCA, please do. If you have, thank you and please continue being a member. In the last two years, membership on the Hill has been at an all-time high and your commitment has been reflected in our strong social calendar.

And there even seems to be new life in the mini-mall at Franklin and Highland. For all of you for whom city life is not energizing enough, a new Starbucks has just opened there, - a sure sign that culture is not far away. Next door, where there used to be a video store, there will soon be a Subway sandwich shop for all you gourmands. Please patronize them both and let them know we're glad they have become our new neighbors.

Yes, it certainly is a wonderful time to be living in Whitley Heights. And it's a good time to support your neighborhood by joining the association and attending our social events. Believe me, you'll be glad you did.

HPOZ

By Ann Gagan

Working on the HPOZ Board has been both a fascinating and interesting experience. I have been getting a crash course in "architecture" and "design" and have an even greater respect for the historical architecture of Whitley Heights.

Many homeowners have come to meetings with their architects and have presented their plans for restoration or repair. It has been very rewarding to see a project from its initiation to completion, bringing a home back to its historical splendor.

Thank you to all the residents who have participated in making Whitley Heights more beautiful and in making HPOZ work. Your care and respect for your community will have a major impact on the future of our area and its preservation.

If you are planning any work on your home, please call Kevin Jones at City Planning (213-485-6716) to be put on the agenda for an HPOZ meeting. Meetings are held on the second and fourth Wednesday of each month. The HPOZ will work with you to help decide if the project is "historically appropriate" and will guide you in making choices that will not conflict with the "historical integrity" of the area. This will save you unnecessary expense if the work is done right the first time.

We are so lucky to have become an HPOZ. So many areas have fallen into disrepair or have only a few houses that have been properly maintained and the rest are badly mistreated.

Coming Up

June 12th in the 1920's

Still looking for some help with flower arrangements and 20's style decorations for the Dinner-Dance. Please leave a message on the hotline **(213)** 228 9388 if you can help.

Photo Judges Announced

Judges have been announced for the July photo contest to be displayed at the Hollywood Roosevelt. They are: **Robert Harmon, Tim Street Porter,Bob Primes and Andy Shuttleworth**.

The contest is open to students and non-professionals and cash prizes will be awarded. Entrants may submit one black and white photo mounted on 11" X 14" white foam core for each $25 entry fee. Subject matter is all of Whitley Heights.

More details next month.

(HPOZ cont.)

We have the opportunity here to preserve what we have and, with cooperation, bring these homes back to their original beauty, so that we can all be proud to say that we live in Whitley Heights, an HPOZ community.

New Board Members

We will be losing a number of Board members as this fiscal year ends in June and the WHCA is seeking new residents from different areas of the Hill.

Meetings are held but once a month and generally last about two hours, so the work load is not very heavy. Balanced against the opportunity to be an active voice in your neighborhood, attending Board meetings is time well spent. Not only are you a better informed citizen, but you also can be a major factor in what happens in this neighborhood and in the surrounding communities.

If you have any interest, you can call the President, **Bob Bundens**, for an informal backgrounding, or you can simply submit your name at the annual meetin in June. The Board should represent a variety of interests; maybe your point of view needs to be heard.

You know you're in Whitley Heights when someone asks how you are - and then listens to your answer.

Paging Mrs. Whitley

Dear Mrs. Whitley,

As you may have heard, Whitley Heights is celebrating its 75th anniversary this year with a big party at the Harmon's house, - you know the one that your old friend Donald O'Connor lived in for years.

It's a costume party and I was wondering what you could suggest for me that would be fabulous and reminiscent of the 1920's

Wondering What to Wear

Dear Wondering,

We did indeed have some fabulous parties on the Hill and I always wore either a ball gown or a flapper dress, depending on my mood. But it was Carol Lombard who used to arrive in the most gorgeous dresses and steal the show with that divine husband of hers, William Powell.

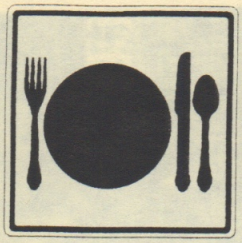

Enough about my memories. I know you will all have a grand time celebrating with your neighbors and I'm so thrilled that you want to dress up. You don't seem to be doing much of that these days, even in Hollywood. What a shame.....

Carol Lombard and William Powell were married from 1931 to 1933, before she married Clark Gable. Ed.

Dining Out

By Ann Gagan

If you haven't stopped in yet you must try **Yamakasa** for truly wonderful and *very* reasonable Japanese food. It's right down on the corner of Franklin and Highland, - a real neighborhood spot.

I love the Rainbow Roll, - sliced and resting delicately on puffs of rice. It's terrific! Genevieve, (9 years old), loves the California Roll but does not like seaweed or sesame seeds. They are so accommodating that they have created California Rolls just the way she likes them. They will practically make your dish any way you want it. Jim likes the Chicken Teriyaki, Beef Teriyaki, Salmon Teriyaki and noodles (Udon) Soup. If you like cooked fish, they have a lovely piece of broiled salmon with teriyaki on the side.

The place is spotless and the staff is very caring and friendly. The owner loves Marilyn Monroe and has a great collection of beautiful photos and artwork of "the Angel." He also has a great collection of music, - everything from the 50's to the Swing era. But do not compliment him *too* much or he will not let you leave without the CD's that you liked, as a special gift. He is the sweetest and most generous restaurant owner we have ever known.
